Personal data will be processed for handling and servicing the complaint for warranty (the legal basis is the necessity to process in order to perform the sales contract). In addition, data will be processed for accounting and settlement purposes (the legal basis is the fulfillment of the legal obligation incumbent on the Controller) and to secure potential claims of the parties (the legal basis is the legitimate interest pursued by the Controller). The recipients of data will be the entities enabling the correct handling of the complaint process, i.e. the provider of technical and IT solutions (including in the field of communication, support and maintenance of the ICT system), as well as the entities providing payment, transport and legal services. The data from this form will be processed for a period resulting from the limitation of potential claims and for a period resulting from accounting regulations. You have the right to request the Controller to provide access to your personal data, their rectification, deletion or limitation of processing, the right to object to the processing, the right to transfer data, as well as the right to file a complaint to the President of the Office for Personal Data Protection. The provision of personal data is voluntary, but necessary to handle and service the complaint. Based on the data obtained from the complaint form, the Controller will not make automated decisions, including decisions resulting from profiling.
